

2. Submit Commercial Seller Request

Commercial Seller Request

SAMSUNG

- All Android app sellers (except sellers with Chinese nationality) are required to be [Commercial Sellers](#) no matter if they have paid or free apps and/or IAP items for sale in their application. You may request a status change to a Commercial Seller using one of the following two ways.
 - After logging in to the Seller Portal, select [Request Commercial Seller Status] at the top right.
 - After logging in to the Seller Portal, click [Profile] at the top and select [Request Commercial Seller Status] in the Type of Sales field.
- It takes about 4 business days to review a request for a status change to a Commercial Seller. The result of the review will be sent via email.
- As part of the Commercial Seller registration, sellers must provide a D-U-N-S number. You can request a D-U-N-S number from <https://www.dnb.com/duns/get-a-duns.html>

Commercial Seller Request

SAMSUNG

In Seller Portal dashboard click on **Request Corporate Commercial Seller**.

Corporate Seller
Free Distribution Seller

Request Commercial Seller Status

Do you want to authenticate with a D-U-N-S® number? X

When you authenticate with a D-U-N-S® number, the corporate profile information registered to D-U-N-S® is automatically entered, simplifying processes such as submitting a business registration certificate. It can also reduce the time spent on requests for a status change to Commercial Sellers. To request a status change to corporate Commercial Distribution Seller, you must verify your DUNS number.

Yes

No

Enter the **D-U-N-S Number** and select **Authentication** for further process.

D-U-N-S® Number Authentication X

Get D-U-N-S number authentication to reduce the time it takes to fill out requests for a status change to Commercial Seller, as well as for the requests to be reviewed. Enter the D-U-N-S number and press the authentication button.

Cancel

What is a D-U-N-S® Number?

D-U-N-S number is a standard business identifier which consist of unique 9-digit number.

For more information on D-U-N-S, please check [here](#).

Note: Once authentication is completed, information from D&B is automatically filled in the “**Basic Information**” page. If you need to modify the seller's information, please first modify it on the D-U-N-S site.

Add Financial Information

SAMSUNG

- Once the D-U-N-S information has been added to the Basic Information, you then need to provide Financial Information. This is mandatory for all Android apps.
- You can select between providing Bank or PayPal account information.
- Note: For Bank Account information, the account holder value should match the company name.

Financial Information

Information for the bank account must be entered in English.
This is the information needed to settle the revenue generated in the Galaxy Store.
Please refer to [Commercial Seller Request \(Entering Account Information\)](#) for further details.

Minimum Remittance*	USD <input type="text" value="150.00"/> (The minimum supported remittance USD 50.00)
	In some cases, the recipients are required to pay handling fees for overseas transactions. Please consider this when you adjust the minimum amount.
	※ Any changes made will apply from the 1st of the following month.
Payment Account*	<input type="radio"/> Bank Account <input type="radio"/> PayPal

Note: It takes around 4 business days for a commercial seller request to be reviewed. You will receive an email notification with the approval or rejection.
